GLAVIS PUBLISHES HIS SIDE OF CASE

versy Stirred Up Again.

Former Chief of Land Office, Field Division, Charges that Coal Lands in Alaska Are in Danger of Being Captured by Monopolists - Ballinger Denounces the Attack.

New York, Nov. 9 .- Claiming that 100,-000 acres of coal land in Alaska, equal in bulk and value to the largest Pennsylvania mines and capable of meeting the demands of a century to come, are in danger of falling into the hands of private monopolists, L. R. Glavis, former chief of the field division in the United States Land Office, publishes in the current issue of Collier's Weekly a detailed statement of his controversy with Secre-Two Filipino Boys Saved, but They tary Ballinger, which resulted in his

summary removel from office.

Mr. Glavis' article recites the withdrawal of all the Alaskan coal lands from public entry in 1906 by President Roosevelt, prior to which action some 900 claims covering nearly the whole of the coal fields had been filed, and sums up fathoms deep, three miles north of Block his indictment of the Secretary of the Interior and the Land Office as follows:

Items of Glavis' Indictment. "I assert that the Land Office ordered the Cunningham claims to patent withtain the cost of putting Washington street in the same condition as the county placed its road leading to the city line, other skipper could read the name on her which would validate fraudulent Alaska which would validate fraudulent Alaska

It was thereupon announced by one member of the council that the building was ber of the council that the building was ing aft of the wheel. that they might know what they had to meet. Mr. Ballinger heard this statement, Mr. Glavis alleges, without making any
